

# ASSOCIATION FOR TECHNICAL SUPPORT AND PROMOTION OF POLYMER COMPOSITES

Sub branch Mechanics of Composite  
Materials and Structures  
of Czech Society for Mechanics  
CTU in Prague,  
Faculty of Mechanical Engineering

# INTERNATIONAL CONFERENCE POLYMER COMPOSITES 2023

have the privilege to invite you to  
**International Conference**

## POLYMER COMPOSITES 2023

**May 24 – 25, 2023**

**Czech Republic, Tábor**

**The aim of the Conference is to enable specialists from research and industry to present actual knowledge and trends in technology of composite materials, research and development, analyses and trends in manufacturing and applications of these materials.**

**Conference program will be focused on topics as follows:**

- development of materials and their properties
- processing technologies
- nanocomposites
- innovative applications
- design and analyses

### Conference languages:

Czech and English

### Detailed information and electronic application:

[www.polymer-composites.cz](http://www.polymer-composites.cz)

### Conference registration fee:

230 EUR

The conference fee includes organization costs proceeding book (ISBN) with the abstracts and full texts of lectures and CD, branch meeting, board: two lunches and refreshment during coffee breaks

### Deadlines:

- preliminary application for participations with abstract (cca 300 words) until 28<sup>th</sup> February 2023
- the authors of accepted papers will be notified until 3<sup>rd</sup> March 2023
- application of promotion activities until 16<sup>th</sup> April 2023
- the deadline for submission of manuscripts for publication in the conference proceedings until 16<sup>th</sup> April 2023

### Contact address:

[pc2023@polymer-composites.cz](mailto:pc2023@polymer-composites.cz)

### Venue of the conference (Accommodation booking):

LH Hotel Dvořák Tábor, Hradební 3037, Tábor  
[www.lhdvoraktabor.cz](http://www.lhdvoraktabor.cz); +420 381 212 221

Please note that accommodation is not included.

**Poster presentations and short communications of student and post-graduate works will form a special section.**

**Company promotion: exhibition area, advertisement in conference program and proceedings book, distribution of technical literature.**

- |  |         |
|--|---------|
| • participation with oral presentation             | 230 EUR |
| • participation with poster presentation           | 230 EUR |
| • renting of an exhibition area (poster and table) | 400 EUR |
| • advertisement in the conference program          | 360 EUR |
| • advertisement in the proceedings book            | 360 EUR |
| • placement of logo on proceedings book envelope   | 360 EUR |
| • distribution of promotion materials              | 80 EUR  |
